

NOTICE

NEW DOG POLICY

VISITORS FOUND WITH DOGS OFF-LEASH IN ON-LEASH AREAS OR WITH DOGS OUT OF CONTROL IN ANY AREA SHALL BE ESCORTED OUT OF THE FOREST AND BANNED FOR 6 MONTHS.

Ignorance of the rule is no excuse.

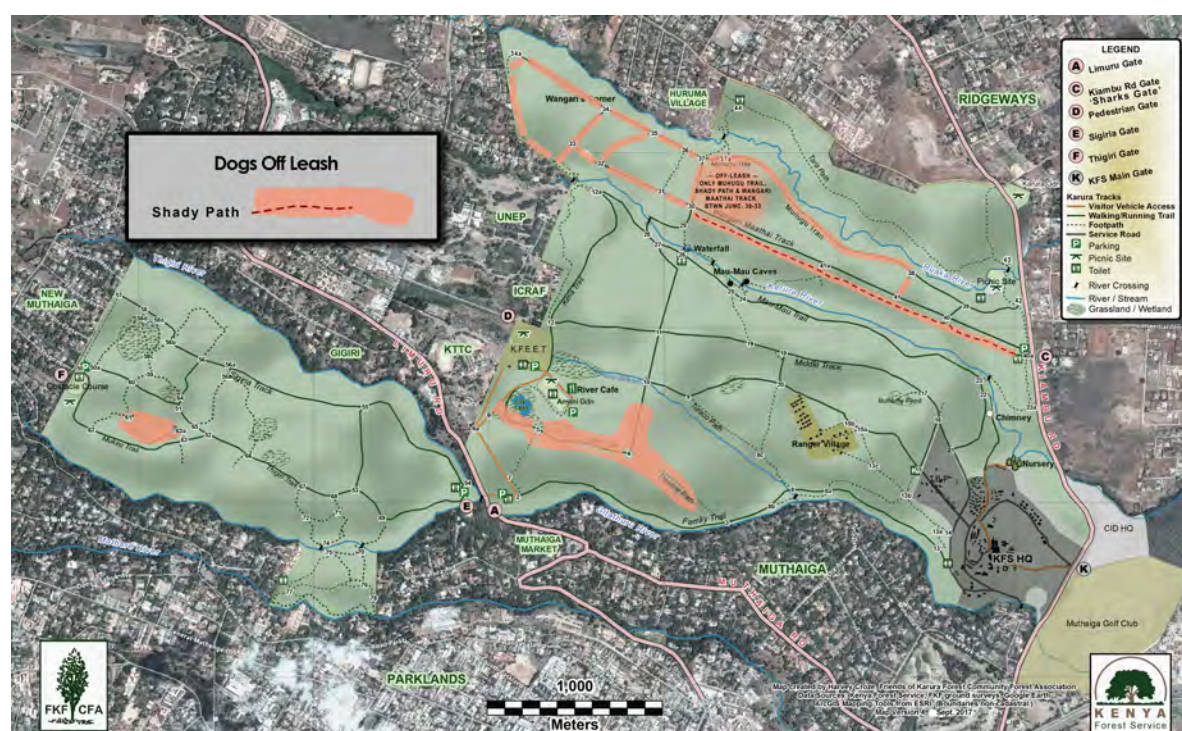

A **'Dogs Off-Leash'** area is a clearly sign-posted zone in which you can let your pet off its leash (lead) to run back and forth along the trail or in a designated clearing.

The dog must be under **VOICE COMMAND CONTROL** at all times, must **STAY ON TRACK** with you, and must **NOT RUN WILD** into the forest to chase wildlife.

If you cannot exercise **VOICE COMMAND CONTROL** over your dog **OFF-LEASH**, then you must keep it **ON-LEASH** in ALL areas of the forest.

IF YOU CANNOT CONTROL YOUR DOG, YOU CANNOT BRING IT INTO THE FOREST.

When you **MEET OTHER DOGS**, use your judgment whether or not to put your dog back **ON-LEASH** until you have moved past the other dogs.
